

Hazardous Waste and Spill Control Checklist

Essential Product Assortment — Lab Safety

Safety

Protecting What Matters Most

Hazardous waste from chemical, biological, and radioactive materials resides in many labs. Exposure to these harmful materials can be dangerous and detrimental to employees, processes, products, and the environment.

Use this checklist to help ensure you have the right products to safely and efficiently manage hazardous waste in the lab while staying compliant.

From our expert specialists to our broad portfolio of products and services, we have safety down to a science.

Hazardous Waste and Spill Control Response Supplies

Cleaning and Disinfectants

- Brooms, vacuums, and mops
- Buckets and wringers
- Cleaners and disinfectants
- Wipes and paper towels

Disposal Containers

- Drain cans
- Recycling containers
- Sharps and glassware disposal containers
- Biohazard waste boxes, bags, and cans
- Flammable safety cans
- Oil waste cans
- Tanks
- Disposal bags, bins, and liners
- Bag tapes and closures

Signage and Labeling

- Hazardous waste storage area signs
- Warning and caution signs
- Hazard signs (e.g., Flammable, Corrosive, Explosive)
- Labels and label makers

- Adsorbents and sorbents
- Spill kits
- Spill trays
- Drip pans
- Buckets and bins
- Neutralizers
- Storage cabinets
- Spill test strips and kits
- Spill alert alarms

Storage and Transportation

- Safety cabinets — flammables, corrosives, gas cylinders
- Drums
- Carts
- Racks
- Dollies
- Collection centers
- Drum ramps

Protective Equipment and Supplies

Apparel

- Aprons — chemical resistant, flame resistant
- Coveralls and suits
- Gowns, frocks, and smocks
- Lab coats — bloodborne pathogen resistant, chemical resistant, flame resistant

Emergency Eyewash and Showers

- Eyewash stations and cartridges — portable, wall mounted
- Inspection tags
- Safety showers and privacy curtains

Eye and Face Protection

- Face shields — disposable, reusable
- Safety glasses — standard, OTG (over the glass), prescription
- Safety goggles — standard and OTG

First Aid and Medical Supplies

- AEDs
- Bloodborne pathogen kits
- Burn relief kits
- First aid and medical kits, stations, and supplies

Footwear

- Shoes and boots — chemical resistant, impact resistant
- Shoe and boot covers

Hand and Arm Protection

- Disposable exam gloves
- Glove liners
- Gloves and sleeves — chemical resistant, cut resistant

Hand Hygiene and Care

- Hand sanitizers and dispensers
- Hand sanitizing wipes
- Hand soaps and dispensers
- Protective hand cream

Respiratory Protection

- Disposable filtering air-purifying respirators
- Powered air-purifying respirators
- Respirator cartridges and filters
- Reusable air-purifying respirators — full-face, half-face
- Supplied-air respirators and air panels
